Home – Search Functions

The screenshot shows the NHS National Highway Sector Schemes website. At the top right, there are links for 'FAQs' and 'Contact Us'. The main header features the NHS logo and the text 'National Highway Sector Schemes'. Below this is a navigation bar with 'Home', 'Suppliers', 'About', and 'Supplier Login', along with a 'REGISTER AS A SUPPLIER' button. The main content area is titled 'Find an NHSS approved supplier' and contains three search input fields: 'Enter keywords and press enter', 'Search by scheme', and 'Search by area'. A 'SUBMIT' button is located below these fields. Below the search area, there is a link to 'View all Suppliers'. The background of the search area is a photograph of a highway with overhead signs for 'NORTH WALES, Birmingham', 'Chester, M6 (S & A) (M56) M6', and 'Warrington (South)'. A small text overlay 'matt's test training text' is visible in the bottom right of the image. Below the search area, there is a text box stating: 'On behalf of UKAS and the certification bodies, we manage the Schedule of Suppliers'. To the right of this text box, there is a small paragraph: 'The schedule provides details of companies that are approved for one or more National Highway Sector Schemes – meaning they are fully trained and competent to work in their specific fields of expertise.'

You can search via three options...

Enter keywords and press enter

You can use this functionality to find a company \ postcode facility to search for a provider using a keyword.

Search by Scheme

You can select the Scheme(s) you require. Simply select the sector scheme(s) you are interested in and then click submit.

On behalf of UKAS and the certification bodies, we manage the Schedule of Suppliers

The schedule provides details of companies that are approved for one or more National Highway Sector Schemes – meaning they are fully trained and competent to work in their specific fields of expertise.

Search by Area

Here you can search the provider who is closest to you. To do this Select the area you wish to search (You can select multiple areas if required) and then click submit. This will display to you all premium and non-premium suppliers within your search area.

Please note you can use all three search functions to narrow down your choices however the search will only return results which match all search criteria entered.

You will now see a list of Suppliers that you have defined to your requirements.

You can search for suppliers within a certain distance from your selected postcode. To do this enter your desired postcode and then click the drop-down arrow on the **Within** box. This will enable you to choose the maximum distance you would like the supplier to be from your entered postcode.

You will then be displayed your search results. To understand your results and how to navigate them please refer back to the supplier part of this user guide.
